

Samaritan House is dedicated to the healing ministry of Jesus by providing healthcare resources that bring a body, mind and spirit healing presence and evangelization to the poor and suffering in Vietnam.

Vision

The Samaritan House Ministry supports the Lovers of the Holy Cross congregation, and other Catholic religious orders in Vietnam, who provide medical care, housing, education and spiritual support to poor villagers in Vietnam. We plan to raise awareness, conduct fundraising and collaborations with other organizations, so that our impact continues to grow every year in the future.

Why were we created?

Being Jesus' disciples, Christ the King came into the world, not to dominate, "but to serve". He did this not through "signs of power", but rather, through the "power of signs". His Kingship signified service to the point of being crucified! Using Him as our model, we are here not to serve with words or speech but with actions and in truth - the power of signs.

Who we serve

Through a collaborative partnership with the Lovers of the Holy Cross, and other Catholic Religious orders, our goal is to support their initiatives to serve the poor and vulnerable in remote villages in Vietnam. Our tax deductible fundraising efforts allow us to partner with the sisters in their work to bring the only available healthcare to these remote villagers. We provide over-the-counter medications, some prescription medications and clinic-based supplies so they can carry on the work they deliver every day. Their efforts make a clear difference in the quality of life and spiritual growth of these special people.

How can you help?

As you learn about this very special mission, we seek your assistance in raising the awareness of this ministry, providing financial donations, and becoming an active supporter of the work by the sisters in remote villages in the mountaneous regionals of Vietnam. The work of the sisters delivers medical support that brings the spiritual connection these villagers make with faith, hope and commitment to our Lord and our God.

100% of your donation is tax-deductible.

All donations will be recognized with a receipt of your donation, so that you can use on your annual tax return. Tax ID # 88-3209120
